II. RULES APPLICABLE TO ALL DIVISIONS:

A. Events

1. All players may participate in a maximum of four (4) events per week. An event is

Defined as a meeting with more than three (3) players and a coach engaging in football related activities (including, but not limited to, practice, football games, or viewing film). An official game counts as one event. Team parties not involving practice or instruction are permitted and are not counted as an event. An official game counts as well as preseason scrimmages will count as an event.

- 2. There will be no scheduled events for Sundays with the exception of games scheduled as post-season tournament play and/or make up games.

B. Divisions (Age Groups)

Freshmen: 5 & 6 year olds

Sophomores: 7 & 8 years olds

Juniors: 9 & 10 year olds

Seniors: 11 & 12 year olds

1. Player eligibility shall be determined by using MAY 31ST of the current year as the cutoff date. Parents may opt to have their child "play up" one year in play (for example, a 6-year-old playing with the 7 & 8 year-olds). Under no circumstances will any player be allowed to "play down" or play in two (2) different divisions. Players are eligible to play within their own respective age group based on age eligibility.

2. Proof of Age: A certified copy of a birth certificate bearing the seal of the Issuing office of the state of birth is required. Absent a birth certificate, a Document that is approved by the "AOL" Governing Board is required.

C. The Division Weight Limitations For Players Who Can Run The Ball

1. All player weights are without helmet, shoes/cleats or pads.

2. A medical scale shall be used to weigh every player. The medical scale shall be one that is preset to the applicable Division Weight Limitation.

3. Coaches shall provide a team roster for review by a Board Member from one or more individual leagues and both coaches must be in attendance and supervise weigh in. Each team shall have all of its players weighed prior to the start of each game during the season to ensure the weight limitation is being maintained. To prevent controversy, the game day weigh-in is mandatory and cannot be waived or modified by anyone, including the coaches. Weight check by challenge or other than the above-prescribed method is not acceptable. **A coach who plays a player who exceeds the applicable weight limitation in a game shall forfeit the game and shall be suspended from participating in the next scheduled game. A player who violates the above weight limitation shall be suspended from playing in the game and the next scheduled game.**

4. Football players weighing over the applicable weight limitation may not line up in the backfield for any reason (i.e. they may not line up anywhere but on the line of scrimmage). No player that exceeds the weight limit by more than twenty pounds may line up anywhere except on the front line in a kick return formation. A player exceeding the

weight limit by a maximum of 20 pounds may line up as the tight end and be eligible to catch a forward pass thrown past the line of scrimmage (screens, laterals, etc. are NOT permitted!). *For the purpose of "AOL" bylaws, the "tight-end" position shall be defined as a player on the line of scrimmage outside the offensive tackle and lined up no more than the 3 yards from the offensive tackle.* Any violation of the "tight end rule" shall be the loss of a down and a 15-yard penalty. In addition, players weighing over the applicable weight limitation may advance the ball on a fumble, kickoff, punt, blocked punt or interception that they recover or that falls into their hands. Players who weigh over the applicable weight limitation may not line up deep in kickoff or punt formations to accept the ball. Tight end Rule: Tightends may weigh no more than 20 lbs. of the established running back weight limits.

5. All coaches, regardless of chapter affiliation, shall provide the official "AOL" weigh-in form at the time of weigh-in. The official weigh-in form shall be maintained throughout the season and will be located in the team book.

6. **All coaches regardless of chapter affiliation shall have their players ready for weigh-in forty-five minutes before the scheduled start of their game. This shall be the official weigh-in time, unless an "AOL" Governing Board official approves a change. All players must be weighed in AT LEAST 15 minutes prior to the start of their scheduled game time to avoid penalty.**

*Any team that has a player who is weighed inside the 15 minute window prior to the game shall be penalized with a 15 yard penalty to start the game. In the event that both teams have a player(s) that weigh inside the 15 minute window, the penalties shall be offsetting.

* Any player who is not present at the scheduled start of the game, but arrives within the first quarter of play shall be weighed in and allowed to participate in the game; however **they will not be eligible to line up in the backfield or at tight end for the remainder of the first half. The player will be allowed to line up in the backfield and at tight end for the second half of the game.**

* Any player who does not show up for weigh-in within the 1st quarter of play (2nd quarter or later) shall be weighed in and only allowed to participate, so long as he; **does not line up as a running back or tight end for the remainder of the game.**

Explanation of “AOL” Team Books

The following is a list of items that shall be maintained in an official “AOL” Team Book. All teams regardless of chapter affiliation shall create, manage, and maintain an official “AOL” Team Book. The coaching staff or team Mom shall carry the book and shall be present at all weigh-ins. Failure to have the book available at weigh-ins will result in an automatic forfeiture by the team without a book. The game can be played with agreement by the head coaches and an “AOL” Board member. The game shall be listed as forfeiture on the official “AOL” schedule. The team book shall consist of the following:

1. Official “AOL” roster sheet.
2. A copy of the leagues registration form (for each player)
3. A copy of the birth certificate (for each player)
4. An individual player picture in uniform without helmet (picture in uniform must be in book no later than the second regular season game.

In addition all coaches regardless of chapter affiliation shall deliver to the various chapter presidents a copy of their official roster before the first game of the regular season. This roster weigh in page must match the roster weigh in page that is maintained in the team book. Any additions after the first game of the regular season must be approved by the various league presidents.

A copy of all rosters shall be maintained at all locations where “AOL” events are conducted. At the time of weigh ins any additions to the team roster that do not match the official roster shall be excluded from playing in the game. Any coach playing a player that is not on the official roster will be suspended for the next game and his team will forfeit the current game being played.

D. Length of Games

Freshmen: Four (4) 6 minute quarters

Sophomores: Four (4) 8 minute quarters

Junior: Four (4) 9 minute quarters

Senior: Four (4) 10 minute quarters

Clock is not continuous during play.

E. Regular Games

1. A regulation game is the completion of play of a game in its entirety.
2. Games halted for inclement weather may be rescheduled by the "AOL" and will be played in the following week. Resumed games will be started where play was suspended. The hosting league (or their authorized representative) on duty at the park will be responsible for weather decisions and game time changes. Game times may be changed in the event of inclement or unforeseen circumstances and are subject to same day or alternate day postponement. Example: A thunderstorm forces the postponement of the first game of the day. The storm passes and the first game of the day is now rescheduled to the last game of the day. All other game times remain the same.
3. If at the end of regulation play a tie exists, both teams will return to their sidelines and the team captains responsible for calling the coin toss will meet with the referees. The visiting team is responsible for calling the first coin toss/flip. The winner of this coin toss may choose to accept (start on offense) or refuse the ball (start on defense). The loser of the coin toss will decide which end zone overtime will be played in. Each team will receive the ball on the 25-yard line. A first down can be made in this scenario. If a tie still exists after both teams have attempted to break the tie each from the 25-yard line, the ball will be placed on the 10-yard line of the same end zone, change of possession will take place and play will resume. There will be no flip-flop of end zones unless field conditions dictate a need for change. The referees will determine this. Each team will again receive the ball for four (4) offensive plays. There is no chance of a first down being made at this point to extend the numbers of plays to more than four (4). A turnover by mishap (fumble, interception, failed kick attempt, etc.) or loss of possession (loss on downs, penalty, etc.) concludes a team's possession of the ball in all situations. A tied game will be played until a winner is declared. The ball will be moved to the five (5) yard line on the third tiebreaker attempt and remain there until a winner is determined. Each team receives one timeout per tiebreaker attempt.

F. Minimum Playing Time: (All teams must field at least 10 players except for a freshmen team).

1. Every player must play at least seven plays, either on offense or defense or special teams. Exceptions will be made only for a verified injury, disciplinary action or player absence. A coach who plays a player

less than seven plays shall be suspended for the next game.

2. The substituting of players is permitted and will be done at the coach's discretion, as long as every player meets the minimum playing time for a game. A player voluntarily leaving the game is acceptable as well.

3. A player who does not participate in regularly scheduled practices and/or needs to be disciplined for his/her conduct can be suspended for a game (or on a per quarter basis) by his/her coach. The coach must provide written notice (prior to game day) to their league Board of Directors for a ruling before the suspension to be carried out. Only the suspended player or "AOL" Governing Board may appeal the disciplinary action. All decisions made by the "AOL" Governing Board on such suspension shall be final.

4. Parents (and only parents) may voluntarily withhold their children from participating in the game.

5. Failure to comply may result in game forfeit. Video is critical criteria of proof. Parents are responsible for providing video proof.

G. Uniforms and Equipment

1. Only league issued uniforms are allowed during games.

2. All league players must wear mouthpieces at all contact practices and games.

3. All players must wear a properly fitting helmet with facemask meeting safety standards. Shoulder, hip, knee, thigh, and tailbone pads are required for all contact practices and games. Shoes are to be of molded rubber type of sole/cleat. Metal cleats are not permitted.

H. Length of Games

Freshmen: Four (4) 6 minute quarters Sophomores: Four (4) 8 minute quarters Junior: Four (4) 9 minute quarters Senior: Four (4) 10 minute quarters. Clock is not continuous during play *at any level*.

I. Coaches

1. Coaches submit an application to the League requesting the opportunity to coach a team.

2. The board will conduct interviews and back ground checks to determine qualifications of applicant.
3. A subcommittee of the individual leagues' Board of Directors (The Football Committee) shall select coaches deemed appropriate.
4. Once a coach is selected, the head coach or a leagues individual Board of Directors may choose one official assistant coach prior to the first tryout and that selection must be approved by the Football Committee.
5. Once the season has started, other assistant coaches may be allowed to participate and up to 6 coaches may be on the sidelines of an official game.
6. Any individual league within our "AOL" may choose a coach out of necessity during the tryout period. In the event of this situation, the head coach will be allowed to select an official assistant coach at that time.
7. The individual leagues will determine the number of tryouts held prior to the start of the season for the opportunity for coaches to observe the registered players.

Once a head coach and two official assistant coaches have been selected for a team and approved by the individual leagues Football Committees, they will be allowed up to three (3) "Freezes. (See definition of "freezes" and eligibility – Below)

Definition of a "freeze": A player that is defined as a "Freeze" will be removed from the free draft and automatically be placed on a specified team. In return, the coach relinquishes a pick in the draft during a specified round for each frozen Player. "Freezes" shall be placed in the 3-4-5 spots in the draft respectfully.

"Freeze" Eligibility: Any player may be eligible to become a "Freeze". To become eligible, all potential "Freezes" must be submitted in writing or verbally (over the phone) to a board member of their respective league, by a parent or legal guardian of that player prior to the 1st tryout of that division. A coach's child must be labeled as a "Freeze" and is subject to the same guidelines regarding "Freezes" or he is otherwise considered draft eligible.

8. **No select teams** will be allowed to participate in the “AOL”. A select team shall be defined as any team that has the majority of its players that did not participate in a draft in their respective division and/or any team that, in agreement with another team, attempts to build an “A” team (superior) and a “B” team (inferior) through the draft. All players registered with a member league of the “AOL” shall participate in a draft when their respective registration exceeds the approved roster limits. Individual leagues, in conjunction with the AOL, shall take the necessary precautions to insure that all teams are created with the intent of being fair and true to the ideals of a recreational and developmental league. Teams participating “AOL” must be approved by the “AOL” Governing Board. The “AOL” Governing Board has final approval on all teams participating within the “AOL”.

J. Tryouts

1. Individual leagues within the “AOL” shall offer as many tryouts prior to the start of the season as deemed necessary for the coaches to observe the registered players.

2. Players are required to be weighed and measured. Individual leagues participating in the “AOL” shall set their own guidelines for conducting a tryout. In the tryout, the players may be required to (but not limited to) run a timed 30-40 yd dash, run a timed agility test, attempt to catch a football thrown by a coach and tackle a tackling dummy.

3. Before the players are dismissed, the coaches will have an opportunity to ask each player a few questions.

K. The Draft

1. An “AOL” Board member (not affiliated with the drafting league) must be present at all associated chapter drafts. It is the association chapter’s president’s responsibility to notify the “AOL” Governing Board of the draft dates and times.

2. The draft for each division will be held separately after the tryouts. Each coach will draw numbers for draft positions prior to the start. Once a team has picked their draft position, teams will be allowed to trade this draft position before the draft starts.

3. The draft will be conducted in a snake format, (i.e. First Round: 1-2-3-4; Second Round: 4-3-2-1; Third Round: 1-2-3-4; etc.)

4. In the event that there is a returning player that cannot tryout on either of the designated dates, they will be placed in the free draft and can be drafted as if they have tried out.

5. In the event that there is a new player who is registered but cannot try out on either of the two designated dates, they will be assigned to a team after all players who are eligible to be drafted have been selected. The Coaches will pick these players via a hat draw at the end of the draft.

6. There will be a designated period following the draft when coaches can trade players between teams. Any trades must be approved by both the drafting chapter's Board of Directors or their representative(s) and the "AOL" Governing Board or their representative(s). This time limit may be adjusted by the drafting leagues Board of Directors or their acting representative.

L. Coach, Player and Parent Behavior

Coaches, players, parents and spectators are expected to conduct themselves in a respectful manner at all times. The use of profanity, obscene gestures, derogatory remarks or name-calling is prohibited and can be grounds for violator's removal from park.

1. Coaches Responsibilities

a. Coaches will make every attempt at a minimum to teach fundamental blocking, tackling, and basic offensive plays and defensive plays.

b. All coaches must instruct their players to initiate contact while their heads are up. The league will not tolerate any deliberate initial contact by the top of the helmet (spearing) in a practice or game. Such infraction occurring a maximum of two (2) times in a game will result in immediate ejection of the player from the game. The referee on the field has full authority in this matter.

c. Coaches are responsible for player hydration. Practices will have no less than three (3) water breaks and water must be made available at all times during games.

d. Six (6) adults are allowed on each team's sidelines during games. The first violation in a game shall result in a warning being issued. Any acting board member from all chapter's participating in the "AOL" shall be allowed on the sidelines at any "AOL" sponsored event with the understanding that they are not allowed to interfere or involve

themselves with any coaching activity unless they are acting in the capacity of a designated coach for a particular game.

e. All coaches are required to attend the pre-season coaching meeting(s) and any other meeting requested by the "AOL" Governing Board. Mandatory! Failure to comply may result in the revoking of sideline privileges for the entire year.

f. Any violation of any league rule may result in a minimum 1 game suspension.

g. Coaches are responsible for their player's parent's behavior and can be penalized by the officials during a game for unsportsmanlike conduct if deemed necessary.

h. The Home Team is to provide the announcer and scorekeeper. The Visiting Team is to provide the chain gang crew. Volunteers must be at least 13 yrs old and above. If any team fails to provide volunteers for their respective duties, a personal foul will be assessed on their first offense. A second offense may result in a forfeiture of their next game.

i. Practice time per division is as follows (including breaks):

Freshmen: 1 hr 15 min

Sophomore: 1 hr 45 min

Junior & Senior: 2 hrs

M. Field Dimensions and Restrictions

1. Dimension---Freshmen Division: 100 yard field (depending on Coaches' agreement) Sophomore Division: 100 yard field Junior Division: 100 yard field Senior Division: 100 yard field

Interleague or tournament games will be played on the field assigned by the host team.

2. One person from each playing team is allowed in the press box for the purpose of filming the game. The home team will also provide an announcer and a clock operator. Opposing team coaches or parents are prohibited from the press box during the games.

III. FRESHMAN DIVISION RULES

A. Two coaches are allowed on the field to call plays and assist in quick alignment of the players. After such assistance, coaches will back away and maintain a 10-yard distance from the line of scrimmage. Once the quarterback is under center, no further instruction is to be given by either coach of either side until the play is whistled dead.

Should such assistance take place, the coach will receive a warning from the referee for the first offense; a 15 yard unsportsmanlike conduct for the second offense, and his removal from the game for the third offense. Encouragement or motivational comments are not considered instructional. If coaches do not bring their players into playing position in a timely manner at the discretion of the umpire delay of game penalties shall be assessed.

B. All punts are free kicks that must be declared in advance of the kick.

C. Games are to be played with eight players. (11 PLAYERS WILL BE ALLOWED IF ALL HEAD COACHES ARE IN AGREEMENT. THIS WILL BE DETERMINED ANNUALLY). Three backs are allowed in the backfield (quarterback and two running backs) and both ends are eligible provided all parties are under the weight limit to carry the ball. Freshmen are not allowed to line head-up (nose guard) over center.

D. Ball carrier weight limit is **75 lbs.** Tight ends may not exceed **95 lbs.**

E. Extra Points:

Run – 1 pt

Pass – 2 pts if caught in the end zone

1 pt if caught and run into the end zone

Kick – 3 pts

All extra point attempts are live contact.

F. Any team leading by 28 points or more at anytime during the game, must replace their starting or “Key” backfield personnel. Replace for the purpose of this definition shall be removal of said players to the bench or to the offensive line. Simply changing a player’s backfield position to another backfield position is not sufficient and is a rule violation. For example a team utilizing a 3 running back formation such

as a traditional “Wishbone” shall remove 4 backfield personnel (3 running backs and one quarter back.) A team utilizing a 2 running back formation such as the “Pro I” shall remove 3 backfield personnel (2 running backs and one quarter back.)

“Key” personnel for the purpose of this rule shall be defined as the backfield personnel who have played the majority of the offensive plays leading up to the 28 point scoring margin. It is the coach’s responsibility to keep with the “spirit of the rule” for the intent of not purposely running up the score by utilizing his best players in the backfield once the 28 point margin has been established. Because this rule can be difficult to define due to the fact that different teams run different offenses and utilize different substitution practices, coaches are required to use their best judgment and eliminate any doubt as to whether or not a player should be replaced under this rule. The governing board shall utilize game film to determine whether or not a coach is keeping with the “spirit of the rule” in cases that may require the governing board’s attention.

1. The removed backfield may not return to the backfield until the margin is less than 28 points.
2. A team that goes ahead by 28 points at any time during the game, may leave their starting backfield in to attempt the extra point conversion.

G. No player shall line up on the center. (No nose guards) Freshman division only. This rule prohibits any player from lining up in the “A” gaps to the right or left of the center. Linebackers shall be 3 yards off the line of scrimmage. Violation of this rule is an automatic first down.

H. All other rules will be in accordance with UIL and NCAA guidelines.

I. All Freshman teams shall use the **K-2** football for all “AOL” sponsored events.

IV. SOPHOMORE RULES:

All rules are the same as the Freshmen Division with the following exceptions:

A. No coaches are allowed on the field at any time. Coaches must stay between the 20 yd lines and are not allowed to cross over this boundary.

B. All punts are live with the exception of a team declaring a free kick within its own 20 yd line. Such kick must be declared to the referee and

neither side may advance until the ball is kicked. No fakes are allowed on free kicks.

C. Maximum weight limit is **100 lbs** to carry the ball (backfield). Tight ends may not exceed **120 lbs**.

D. You can have a nose guard line up on the center.

E. Sophomores shall use the **K-2** football for all “AOL” sponsored events.

E. Senior shall use the **TDY** football for all “AOL” sponsored events.

B. Radios and Communication Devices

No radios or other communicative devices shall be allowed during game situations to relay information to the coaching staff on the sidelines.

C. Blocking and Tackling Restrictions

Nose guards (except in the Freshmen Division) may blitz or use slants. If a coach teaches a player these prohibited techniques, the coach may be suspended from the "AOL".

* No cut block shall be allowed from any position on the field.

D. Formal Protests

Coaches may only formally protest the eligibility of a player (i.e. issues dealing with weight or age). The "AOL" Governing Board shall decide all other actions addressed herein. Protests must be made writing to the "AOL" Governing Board and shall require a \$50 fee. Protests will then be addressed and ruled upon by the "AOL" Governing Board.

3. Greatest Point Differential in "Head to Head" (if Head to Head is split)

5. Greatest Point Differential in "Conference Games"
6. Greatest Point Differential in "All Games"
7. Points For (Total points scored in "all games")
8. Points Against (Fewest total points allowed in "all games")

* ***"Point Differential" = Points For – Points Against***

VIII. POST-SEASON PLAY (ALL-STARS)

All-Stars will be approved on a year-to-year basis.

A. There shall be first and second tier level play in All-Stars, except for the Freshman Division.

1. SOPHOMORE, JUNIOR and SENIOR

There shall be Division 1 and Division 2 All-Star teams in this division, if the number of participants in any one chapter league warrants 2 teams. These teams may consist of 18-22 players each. The Division 1 team shall be coached by the Super Bowl winning team's head coach. The Tier 2 team shall be coached by the runner up. If either of these coaches opts out, the next progressive team's head coach has first right of refusal and so on down the line to the last coach in the division.

The Tier 1 team has first right of refusal on ALL players in the division, with the exception of the runner up and his first assistant's freezes. The Head coach and first assistant of the Division 2 All-Star team shall be the only players eligible to "opt down" to the Division 2 team if desired and selected. Any player chosen to be on the Division 1 Team, that chooses not to play on the team, is ineligible for any other post-season play. Additionally, the Division 2 team may opt to "play up" into Division 1; however, they may not go back "down" to Division 2 play through the remainder of that particular tournament.

- Players must participate with the Division they played with during the regular season.
- Players can only participate on one All-Star team.

2. The coach of the All-Star team is allowed to select a desired number of players from his regular season team. A minimum of two players from every team must be selected from the every Division.

3. Chapter leagues in the "AOL" who do not have enough players to in any one division to constitute 2 teams, shall be eligible for the "All-Stars" under these conditions:

1) They may merge with another chapter league, pending "AOL" governing board approval. The governing board shall determine which division (1 or 2) the team shall compete in.

2) They may elect to participate as their own team. The governing board shall determine which division (1 or 2) the team shall compete in.

The current "AOL" Governing Board shall determine the number of All-Star teams per division at its discretion. The "AOL" governing board reserves the right to allow or disallow any team's participation in an All-Star tournament. The goal is to benefit both the players and

members of our “AOL”.

XIV. LEAGUE I.D. BADGES

- All “AOL” approved coaches, board members and league volunteers must have, in their possession at any “AOL” sponsored event, a league issued I.D. Badge for the purpose of identification. Anyone requiring an I.D. Badge who cannot present it at an “AOL” event may be limited in their capacity to participate. (This includes, but is not limited to; coaches, assistants and board members.) Exceptions may only be made when an “AOL” governing board member can vouch for the person’s eligibility to participate.
